Experience - Commitment- Results

## Experience.

For years we represented Insurance Companies. Now we only help injured persons and their families. When a serious injury occurs in your family, you need a law firm experienced in handling sensitive and difficult cases. We are well-versed in dealing with insurance companies, and we know where and how to find hidden details that make a difference.

## Commitment.

Your case is important and we treat it that way. **WE PROMISE:** (1) If the law and facts entitle you to recover damages-we can help; (2) To keep you informed about your case; (3) To always return your calls; (4) To guide you through the process and thoroughly answer any questions; and (5) To resolve your case to your satisfaction as quickly as possible.

## Results.

Our substantial trial experience serves to maximize client recoveries, often through favorable settlements outside the courtroom. We have successfully represented hundreds of folks and their families. We are humbled and honored that most of our clients are referred to us by former clients. Before you talk to the insurance company, call us first or you may make a permanent costly mistake.

# DOWNEY

## What Our Customers Are Saying:

The best thing I can say about the Downey book is it is a very good value in what we get in return from them. We do not run a store front, and our service is in-home service, so it is our number one source of getting our clientele to contact us. Downey has treated us very well. Our sales rep has been very good to us. He's always available if we need to call him, we have a cell phone number straight to him and he always either answers or returns the call promptly.

**Monty Harper**
**Harper's Service**

We've advertised with the Downey book for 3 years now. It is the most widely used book in the area we service. With each call that comes in we ask where they heard about us, and the end result is 90% of them say from the Downey phone book. We feel like the expense to publish our advertisement in the Downey book is well spent money. Our service from Downey Publishing has been exemplary.

**Julie Baker**
**Richardson Auto Glass**

I have been advertising with Downey for one year…best phone book I've found so far. It has only been a short time, but the number of calls have increased probably by 40 percent. I do feel like it's been a worthwhile investment, and basically it's because of the number of calls coming in each day. I definitely would recommend advertising in the Downey book. The smaller book seems to do more than the big book does. I'm dropping the other phone book just to let it run with Downey for now and the service from Downey to me, I believe, is really, really great.

**Bryce Smith**
**Smith's Fence Company**

I've seen excellent results from advertising in the Downey telephone book. Just last year alone my profits tripled just from having my advertising in the Downey Publishing telephone book. I would absolutely recommend that any other business that isn't already in there or is already in there to stay in there, because it does bring business. Downey Publishing has definitely made a change in my company.

# Preparing for an Emergency Makes Sense.

The likelihood that you and your family will survive a house fire depends as much on having a working smoke detector and an exit strategy, as on a well-trained fire department. The same is true for surviving a terrorist attack or other emergency. We must have the tools and plans in place to make it on our own, at least for a period of time, no matter where we are when disaster strikes. Just like having a working smoke detector, preparing for the unexpected makes sense. **Get ready now.**

**1 Get a Kit** of Emergency Supplies.

**2 Make a Plan** For What You Will Do in an Emergency.

**3 Be Informed** About What Might Happen.

**4 Get Involved** in Preparing Your Community.

**Find out how by visiting www.ready.gov or calling 1-800-BE-READY**

DOWNEY

*What Our Customers Are Saying:*

The best thing I can say about the Downey book is it is a very good value in what we get in return from them. We do not run a store front, and our service is in-home service, so it is our number one source of getting our clientele to contact us. Downey has treated us very well. Our sales rep has been very good to us. He's always available if we need to call him, we have a cell phone number straight to him and he always either answers or returns the call promptly.

**Monty Harper**
**Harper's Service**

We've advertised with the Downey book for 3 years now. It is the most widely used book in the area we service. With each call that comes in we ask where they heard about us, and the end result is 90% of them say from the Downey phone book. We feel like the expense to publish our advertisement in the Downey book is well spent money. Our service from Downey Publishing has been exemplary.

**Julie Baker**
**Richardson Auto Glass**

I have been advertising with Downey for one year…best phone book I've found so far. It has only been a short time, but the number of calls have increased probably by 40 percent. I do feel like it's been a worthwhile investment, and basically it's because of the number of calls coming in each day. I definitely would recommend advertising in the Downey book. The smaller book seems to do more than the big book does. I'm dropping the other phone book just to let it run with Downey for now and the service from Downey to me, I believe, is really, really great.

**Bryce Smith**
**Smith's Fence Company**

I've seen excellent results from advertising in the Downey telephone book. Just last year alone my profits tripled just from having my advertising in the Downey Publishing telephone book. I would absolutely recommend that any other business that isn't already in there or is already in there to stay in there, because it does bring business. Downey Publishing has definitely made a change in my company.
